Jonathan Valin's CES'05 Coolest Accessory!!

"...the sound this wire was making was phenomenally good—astonishingly airy, rich in color, and finely detailed."

STANDOUT ROOM Montreal '05

"One constant at the CES in January was the use of Kubala-Sosna cables in many great-sounding systems. At Son & Image, this trend continued ... delicate, transparent, tonally accurate sound ... the best he heard ... including the mega-bucks setups in the big rooms. Kubala-Sosna does it again."
