BEST OF SHOW ...

As we have mentioned in these pages before, Kubala-Sosna has been blessed in many different ways, including, over the years, more than our fair share of *Best of Show* awards around the world. *Thank you* for using our cables as part of your exhibits!

Thus far in 2012 we have been part of the following shows:

CES show in January;
Bangkok Show in February;
Madrid Show in February;
T.H.E. Show New York in April;
High-End Show Munich in May.

In *each and every* case, the systems that we have been a part of have been recognized in some way with *BEST of SHOW* awards!!

As an example at CES, our cables were displayed in twelve rooms. Eight of those rooms were mentioned in at least one show report as Best Sound in Show; some rooms had multiple awards. 8 out of 12!

Here is a summary of the recognition that the systems in these shows received in the press:

CES ... 8 of 12 Awards
Bangkok ... 1 of 1 Awards
Madrid ... 1 of 1 Awards
T.H.E. Show ... 3 of 4 Awards
Munich ... 2 of 3 Awards

A *Best Sound Award* at every single show! At shows where we had multiple systems we received multiple awards!

In total there were twenty-one (21) systems at these five shows, and fifteen (15) were recognized!

We realize that we have been very lucky to be represented by distributors that are carrying quality brands of speakers and electronics. At shows we are part of very impressive systems.

However, these systems are quite different from each other in terms of the equipment used.

Here are some of the brands from these five shows in alphabetical order: AMR/ ASR/ Audio Research/ Bryston/ Chord/ Clear-audio/ Conrad-Johnson/ dCS/ EMM Labs/ Esoteric/ Estelon/ Evolution Acoustics/ Hansen/ Karan/ KEF/ Kronos/ LAMM/ Magico/ Magnepan/ Manley/

An impressive list for sure. An impressive ability for our cables to work with almost anything! A recognized ability to impress listeners anywhere on the globe!

As heart-warming as these accomplishments are, as we talked about in a previous newsletter, the most satisfying part of all of this for us are the friendships we have forged around the world.

It is really not about the gear. It is really not about the accolades. *It is really ALL about PEOPLE!!*

We look forward to meeting new friends at future shows and visits around the world. Be well!
